

2020 Barrington Farm School CABIN FEVER SERIES

Winter time at the Farm means thinking, planning and dreaming.

Join Us in these series of winter forums, films and food.

Sunday, January 26, 2020 2:30-5:00P.M.

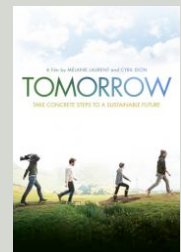

Bay Spring Community Center

CLIMATE CHANGE AND RESILIENCE IN OUR COMMUNITY AND THE EAST BAY

Discussion with Local Youth Climate Change
Activists, Rhode Island Nature Conservancy State
Director, and Community Pot Luck

Movie : *"Tomorrow"*

The Farm Schools first event in a series will be aimed at youth, climate change and resiliency. Discussion with John Torgan, director of the Rhode Island Nature Conservancy, members of the student climate activists, high school and university student. Please join us with a pot luck dinner. This is a Zero Waste event so bring your place setting and food to share at Bay Spring Community Center, Narragansett Ave, Barrington!
